MADE FRIENDS HERE

ST. JOSEPH COMMERCE CLUB TOOK DINNER WITH US.

BROUGHT MUSIC ALONG

Band and Quartet Accompanied Special Train—Visitors All Praised Maryville.

The St. Joseph Commerce club, about 200 strong, arrived in Maryville on schedule time today on a special train on the Burlington. They were met at the station by the board of directors of the Maryville Commercial club with automobiles and buses and conveyed at once to the First Christian church, where they took dinner, which was served by the ladies of that church.

All of the banks, wholesale houses and other enterprises of St. Joseph

R. T. FORBES, President of the Commerce Club of St. Joseph. He is also President of the First National Bank of St. Joseph.

were represented, and the purpose of the trip was to get acquainted. This excursion was the biggest yet given by that organization.

W. A. Lalor, general passenger agent of the Burlington at St. Louis, and J. D. Baker, division passenger agent of the Burlington at St. Joseph, with many other railroad men, were in charge of the train. Mr. Lalor said that Maryville certainly entertained the party royally, and that Maryville was one of the liveliest towns in the state.

The time in Maryville was spent calling on the business men and getting acquainted with the people. Many of the party were taken for an automobile ride around the city. A band accompanied the Commerce club and gave a concert in the afternoon. The club quartet also gave several numbers to a highly appreciative audience on the court house square.

The St. Joseph newspapers, the Gazette and the News-Press, were represented. C. D. Morris, the owner and editor of the Gazette and B. C. Biggerstaff, also of that paper, and L. T. Goiding, publisher of the News-Press, and John Cargill, a writer for that paper, were the newspaper men.

The special train left St. Joseph this morning at 7:30 o'clock and made stops at all of the towns on the Burlington branch. They made a stay at Barnard of forty-five minutes and at Arke for fifteen minutes. They then came on to Maryville, arriving here about on schedule time.

The party left Maryville at 2:37 o'clock and made a stop of twenty

minutes at Pickering and sixty minutes at Hopkins. They went on to Bedford, where they will take supper, and will make the return trip home tonight, leaving Bedford at 7:30 o'clock. They will pass through Maryville about 8:30 o'clock.

Members of the reception committee of the Commercial club and citizens here wore badges with these words printed on them, which was suggested by E. G. O'Leary:

"Maryville Commercial Club. We're Lookin' for Friends. You'll Do."

R. M. BACHELIER, Chairman of the Trade Extension Committee of the Commerce Club of St. Joseph.

A poll of the business men accompanying the special train was taken and the result of the vote was:

Wilson	115
Taft	54
Roosevelt	27

In Favor of Amendment.

Senator James A. Reed is one of the many strong advocates of better educational facilities for Missouri. He favors the adoption of amendment No. 9, and in this regard says:

"I am heartily in favor of every plan which will extend, enlarge and better our educational system. It is my opinion that a high school education ought to be placed within the easy reach of every citizen of the state, and that our educational system should be extended along the practical lines covered by manual schools and academies."

The adoption of amendment No. 9 means even more for the state than is expressed through the desire of Senator Reed. This amendment was endorsed at the Democratic state convention.

To District Convention.

Mrs. Estes Bailey went to St. Joseph Thursday morning as a delegate to the W. R. C. district convention that meets there this week. The other corps members going from Maryville were given in Wednesday's daily. Mrs. John W. Morris and Mrs. L. L. Holbrook, who went Thursday morning, will remain for several days. Mrs. Morris with her sons, Roy and Bert Collins, and Mrs. Holbrook with relatives.

Mrs. Gartin Injured.

Mrs. Hannah Gartin, the mother of E. H. and G. P. Bainum and Shell and Art Gartin of this city, fell Wednesday at the home of her son, Stant Gartin, near Pickering, and tore the ligaments in one of her shoulders, which had been injured some years before. She is suffering greatly from the accident and was brought to Maryville Thursday by her sons, and is at the home of E. H. Bainum, where she will receive treatment.

Booher Will Speak at Clyde.

Congressman C. F. Booher will speak at Clyde on Friday evening, November 1.

PECK TO RUN AGAIN

EX-STATE SENATOR WILL MAKE RACE FOR THE OFFICE.

HIS NAME NOT ON TICKET

Despite This Handicap Republicans Will Be Asked to Write His Name on Voting Ballots.

The Republicans of the First senatorial district have determined to have a candidate for the state senate, notwithstanding his name will not be printed upon the ballots to be voted at the election November 5.

While no meeting of the senatorial committee was held recently, it was generally agreed among the members of the committee to induce Mr. Peck to run again, at the meeting of the committee held several weeks ago. The Republicans were unable to find any one else who would make the race, as they were of the opinion that they could not win against the Democratic candidate, Anderson Craig.

Peck has been the senator from this district for eight years. At the first meeting of the senatorial committee Peck decided not to become a candidate again, but a number of Republicans have urged him to get in the race as they could not find any one else. He finally consented to make the race this week, but too late to have his name printed on the Republican ticket.

The Republicans had no candidate at the primary election and the law prescribes that in case of a failure to nominate a candidate at the primary election in August the senatorial committee may select a candidate and certify his name to the secretary of state. But Mr. Peck did not consent to run until it was too late to have his name printed. Not dismayed by this, the committee has induced the senator to permit the use of his name anyway, and is asking all voters in the district to write his name in the ballot when they go to the polls.

Even with Mr. Peck as a candidate and his name not on the Republican ticket, Anderson Craig will have a walkaway. The writing in of the name will occasion some time and effort, and not many Republicans will do it.

Went to Nebraska.

J. D. Ford, one of the big apple raisers of Nodaway county, went to Riverton, Neb., Thursday to market a car load of apples. Mr. Ford and his partner, Mr. Kennedy of Parnell, had a small apple crop this year in comparison to other years. They only had eight car loads from their orchard.

Will Have an Oyster Supper.

There will be an oyster supper at the Harmony church, east of Maryville, this evening. An informal program will also be given.

Mrs. M. A. Sawyer of Bedford was a Maryville business visitor Thursday.

WIFE ASKS FOR \$500,000.

Mrs. Alonzo Thompson is Suing for That Amount, and Infidelity is Charged Against Spiritualist.

A dispatch from Denver, Col., about Alonzo Thompson, a former resident of Maryville, states:

Asking an absolute divorce and alimony in the sum of \$500,000, Mrs. Annie L. Thompson, 1979 Humboldt street, has filed suit in the district court against Alonzo Thompson, spiritualist and philanthropist.

The petition was filed several days ago, but suppressed. It bristles with charges, both mentionable and unmentionable, and comes as a fitting climax to the series of sensational legal procedures which have within recent months characterized the progress of the Thompson family feud.

In lieu of obtaining personal service on the aged defendant, who for some time has been in Missouri, the summons was served on a negro woman servant at the Humboldt street residence, who has for years been in the Thompsons' employ.

Alonzo Thompson, Jr., known as the best dressed man in town, whose cast-off clothes his father declares he has worn and braved the scrutiny of amazed acquaintances, rather than consign their shrieking colors and fastidious outlines to the extravagant oblivion of disuse, is spending the summer at Lilydale, N. Y., a spiritualists' camp.

Jersey Cow to Colorado.

Thomas Wiles took a fine Jersey cow to Maitland Wednesday, from which point he shipped her to Mr. McClannahan at Greeley, Col., the third one he has sold the gentleman in the last few weeks. According to the new law that has just come into effect, all Jersey cattle must be tested for tuberculosis before being shipped out of the state, and as a state inspector was at Maitland testing other cattle, Mr. Wiles took the cow over there. Charles T. Graves is preparing to ship a number from his stock farm at Maitland.

Recovering From Broken Arm.

Mrs. Amanda Byers, the mother of Leonard Byers, is recovering nicely from a broken arm she sustained a few weeks ago by a fall in the yard of her home. Although past 83 years of age, Mrs. Byers stood the accident and the attending suffering and inconvenience with fine spirit and is now able to be about the house as usual.

On Visit to Daughter.

Mr. and Mrs. W. B. Hanna, Royne and Donald Hanna, of Pickering, were in Maryville Thursday on their way to Polo, Mo., for a few days' visit with their daughter, Mrs. Herman Brueggemann. Prof. Brueggemann is principal of the schools at Polo.

Returning From Nebraska.

Mrs. J. W. Cross and daughter, Miss Lillie Cross, of Hopkins were in Maryville Thursday, returning home from a visit at Surprise, Neb., with Mrs. Cross' son, Henry Cross.

WHAT A DIFFERENCE

DEMOCRATS HOLD A ROUSING MEETING AT PICKERING.

II HEAR THE OPPOSITION

Nondescript Meeting Fails to Draw Voters Couldn't Tell Whether It Was Bull Moose or Republican.

The Democrats held a political meeting at Pickering Wednesday evening which was largely attended. John M. Dawson, county chairman, spoke, as did also George Pat Wright and E. L. Wolfert. Other candidates present at the meeting were Ed Wallace and Judge Wm. Blackford, and W. G. Sawyers accompanied the party.

The Democratic meeting was a big success and was unlike the "political speaking, candidates' meeting" held the night before by the candidates on the opposition ticket. The Republicans and also the Bull Moosers in Union township were unable to find out what kind of a political meeting it was, as all the candidates would talk about was their own merits and about the single tax amendment. There were only eleven present at this meeting. Just think of it! These candidates, nominated by the Republicans at the primary election are ashamed of their politics and are afraid to advertise these meetings they are holding as Republican meetings.

Are Using Oil Stoves.

Owing to the smokestack on the Normal heating plant being down, as it was struck by lightning in a storm Sunday morning, oil stoves are being used at the school this week to heat the rooms. However, the weather is not very cold, and with the aid of the sun the stoves are giving sufficient heat.

Work will commence on the smokestack at once, as President Blagg of the board of regents has contracted for the work. The stack will be torn down for thirty-five feet and then will be built up again.

To Hold Protracted Meetings.

Rev. C. R. Green, pastor of the Harmony church, was in the city Thursday. He announced that revival meetings would be held at his church the first two weeks in December, and that it is expected that a man from New York would do the preaching.

Harrisonville Visitors Leave.

Mrs. H. E. Patterson and daughters, Miss Edith Patterson and Mrs. Mabel Wright, of Harrisonville, Mo., who have been spending a week at the home of James Patterson, northwest of Maryville, left for their home Thursday morning.

Mrs. M. A. McCracken of Bedford was in Maryville Thursday on her way to Evona to visit relatives.

"MARYVILLE HAS IT."

That's the Slogan Suggested by the Missouri Notes Editor of the Kansas City Times.

In Wednesday's issue of the Kansas City Times, Steve O'Grady, editor of the Missouri Notes of that paper, offered as a slogan for this city, "Maryville Has It." Here is what he says about this slogan:

The Maryville Commercial club is seeking a slogan. It will pay real money for an acceptable battle cry. Through long familiarity with the advertising columns of the Maryville papers we are tempted to suggest this slogan: "Maryville Has It!" That's a line that would make the farmers lay down their mail order catalogues. Send on the five, boys.

Married by Rev. Christy.

Rev. W. B. Christy of this city performed the wedding ceremony of Horatio S. Potter and Miss Metta McAtee, both of Hopkins, on Wednesday evening, in Maryville. Miss McAtee was formerly a teacher of the Hopkins schools, and Mr. Potter is a farmer living near Hopkins. They will reside on a farm, seven and a half miles southeast of Hopkins.

We Won't Say It Any More.

That reminds us: Someone asked the other day why in the world we said "covers were laid for," when speaking of guests at a dinner party. We couldn't give any sensible reason, of course, and only said, "Everybody does," and "All the city papers do," and "Webster says it's correct," and all that, and he said it didn't make any difference who said it, it wasn't sensible to say "Covers were laid for," except at a slumber party.

I X I. With Mrs. Smith.

At the meeting of the I X I Embroidery club Wednesday afternoon with Mrs. Wilber C. Smith, the club voted to give a party some time soon for three of their number, Mrs. W. R. Wells, Mrs. Preston Seafers and Mrs. John Bantz, who will leave the first of December to spend the winter in California. The afternoon was spent with crochet and embroidery work, as usual, and some magazine will be ordered for the further study of fancy work. The hostess served a luncheon to her guests. They included Mrs. Robinson Craven, Mrs. James Eckles, Mrs. Cooper Gooden, Mrs. Ernest Welborn, Mrs. W. R. Wells, Mrs. Guy Muts, Mrs. Anna Stauble, Mrs. Marvin Peery, Mrs. George Pickens, Mrs. Walter Muts, Mrs. O. W. Swinford, Mrs. Eugene Rathbun, Mrs. A. J. Anderson, Mrs. I. W. Nixon, Mrs. Preston Seafers, Mrs. George P. Wright, Mrs. John Lorraine, Mrs. John Anderson and Mrs. Vance Westfall.

Mrs. John Shonley and sons, Paul and Francis, went to Clyde to visit Mrs. Shonley's father, R. J. Ellerman.

WOMEN WILL VOTE

IN SIX STATES THEY WILL TAKE PART IN GENERAL ELECTION.

MAY CAST DECIDING VOTE

The State of California, Colorado, Idaho, Utah, Washington and Wyoming Have 88 Electoral Votes.

In the general election on November

5 women will vote in six states, California, Washington, Idaho, Colorado, Wyoming and Utah, a fact which campaign managers of the various parties have taken into consideration. While the Progressive party was the only one of the three leading political organizations to give its official stamp of approval to the equal suffrage movement, the Republican and Democratic leaders have shown their appreciation of the importance of that movement by enlisting the services of women workers with an eye to the result in the six states in which women have been granted the full rights of the franchise. Those six states have a total representation in the electoral college of 38 votes, divided as follows: California 13, Colorado 7, Idaho 4, Utah 4, Washington 7, Wyoming 3.

According to the last census California has a total of 671,356 women eligible to vote. For the other five states the figures are as follows: Colorado, 213,425; Utah, 85,729; Washington, 277,727; Idaho, 69,818; Wyoming, 28,840.

That the choice of a president and vice president of the United States in the coming election may depend upon the votes of the women in the six states name is hardly within the range of possibilities. But it is the fact that six presidents of the United States were elected by a smaller number of votes than those which woman suffrage states will control in the next electoral college.

Statistics show that Presidents Adams, Jefferson, John Quincy Adams, Taylor, Hayes and Cleveland were elected by a majority of thirty-seven votes or less. In 1796 John Adams defeated Thomas Jefferson by two votes. In 1800 Thomas Jefferson and Aaron Burr each received 175 votes. The choice then devolved upon the house of representatives, with the result that Jefferson was elected.

In 1824 none of the candidates for president received enough electoral votes to elect, and the choice again devolved upon the house of representatives, when John Quincy Adams was chosen. In 1840 Zachary Taylor defeated Lewis Cass by just thirty-six votes. In 1876 Rutherford B. Hayes defeated Samuel J. Tilden by one vote, and in 1884 Grover Cleveland defeated James G. Blaine by thirty-seven votes.

In addition to the six states in which women have been given the right to vote for president there are numerous other states in which they have the rights of limited suffrage. In fact, there are in the United States today only nineteen states which have no form of suffrage for women, and even in some of those there are cities in which women have the right to vote for school officials and on tax matters. The nineteen states are Nevada, Texas, Missouri, Arkansas, Mississippi, Indiana, Kentucky, Tennessee, Alabama, Florida, Georgia, Virginia, North Carolina, South Carolina, Maryland, Pennsylvania, Rhode Island and Maine.

POLITICAL NOTES.

(From Democratic Bureau.)
According to the state auditor's report the salaries and expenses of the state game department under the present administration have amounted to \$231,762.92, which is exactly \$164,360.90 more than this department ever cost under any Democratic administration. Was it worth the difference in the cost? Can Missouri afford any more luxuries like Hadley's man Tolerton? If you don't think so, then you'd better vote the Democratic ticket this year.

President Taft has vetoed tariff revision bills which would have reduced the cost of living \$550,000,000 per year. His administration is endorsed by the Republican state platform and the candidates of the Republican party in Missouri. The same clique of Missouri Republican politicians, in the same platform, endorsed the thefts and frauds committed in the interest of Taft at Chicago. Query: What is the difference between stand-patism and highway robbery?

McKinley Voted Against Anti-Trust Law.

John C. McKinley, the Republican nominee for governor, was the only member of the Missouri state senate who voted against the anti-trust law passed by that body in 1903. (See senate journal 1903, page 650.)

The bill was a substitute for senate bill 188, and was entitled "An act to prevent conspiracies, or the creation of monopolies for the purpose of keeping up the prices of coal, ice, food products, lighting or fuel oil, or other necessities of life, or creating artificial scarcity of such articles or necessities."

This bill passed the senate by the following vote: Ayes 28, nays 1, absent 5. On that bill McKinley was the only member of the senate who voted nay.

Every other Republican in the state senate, and every Democrat present on that day voted for this bill. McKinley alone stood forth against it. And now he asks the people of Missouri to elect him governor of this state! In heaven's name, why? What would such a man do in the office of governor? The people of Missouri want a governor who will fight against the trusts and not for them.

The people do not agree with Roosevelt that there is anything "highly amusing" in the attempt on the part of fiend or maniac to take a human life. What the people regard as "highly amusing" is the aim to make political capital out of the deed.

While the people with one voice condemn the cowardly and dastardly attempt on the life of former president Roosevelt and rejoice alike that he has fully recovered, they cannot forget, nor should they forget, that they declined to confer the three-time presidency on the man, who for their sake, for four years faced bullets and knew they were coming.

DEATH OF AN OLD SETTLER.

Patrick Harmon Died Thursday Morning at Home of Niece, Mrs. Maurice Egan of Clyde.

Patrick Harmon, for forty-five years a resident of near Old Conception, died of old age early Thursday morning at the home of his niece, Mrs. Maurice Egan, of near Clyde.

The funeral services will be held Friday morning at New Engelberg Abbey church at Conception, conducted by Rt. Rev. Fr. Placidus. Burial in St. Columba cemetery.

Mr. Harmon was born eighty-six years ago in County Carey, Ireland. When he was 21 years old he left Ireland and went to Alaska and mined for several years in that country and in British Columbia. He left there and traveled all through the west and mined for awhile in California. He was an interesting character and could relate many thrilling stories of experiences in his life. He settled in Jefferson township forty-five years ago and made his home with his sister, Mrs. Joy, and after the death of her husband, the two continued to live together in Old Conception until about three years ago, when Mrs. Joy went to live with her daughter and her husband, Mr. and Mrs. Maurice Egan. Mr. Harmon lived alone until two weeks ago, when he became ill and was taken to the Egan home for proper care.

Mrs. Joy, now 91 years old, was his only near relative, distant relatives living in North and South Dakota.

Rev. C. H. Owens, editor of the Clearmont Ledger, was in the city Thursday.

Why Fret?

In the November American Magazine appears the following:

Are the trains too slow for you? Caesar, with all of his court, never exceeded the speed limit.

Are your wages too small? In Europe people are content with making a living.

Are the lights too dim? David wrote his psalms by the light of a smoky torch.

Are you ugly? Cleopatra, though homely, bewitched two emperors.

Are you cold? The soldiers of Valley Forge walked barefoot on the ice and snow.

Are you hungry? The children of India are starving for want of a crust of bread.

Are you tired? Why fret about it? Jacob was tired when he dreamed of the angels of heaven.

Are you sick? Suppose you had lived two thousand years ago when sickness was fatal.

Are you poor? The Saviour of Men was not wealthy.

Cheer up! Praise God that you live in the midst of His blessings!

Why fret?

Caller—You know, there was something I wanted to say to you, but it has quite gone out of my mind. I can't remember what it was.

NIGHT BANKERS ARE ARRESTED

Five Out of Six Found Guilty at Memphis, Tenn.

ALL WILL BE SENTENCED LATER

"All Night and Day" Ventures Proved Disastrous to Promoters—W. C. White, of Memphis, Only One to Escape Penalty.

Memphis, Tenn., Oct. 24.—Five bankers, well known in Memphis, Kansas City, Oklahoma City and other cities on trial here charged with conspiracy to defraud, were found guilty by a federal jury.

W. C. White, a former director of the All Night and Day bank of Memphis, and the Union Trust company of Hot Springs, also named in the indictment, was acquitted.

The Men Convicted.

Those convicted are: E. L. Hendry, former president of the Memphis All Night and Day bank; H. C. Wynne, former president of the Little Rock, Ark., All Night and Day bank; Abner Davis, former president of the All Night and Day bank of Oklahoma City; C. A. Bonds, former president of the Kansas City All Night and Day bank, and J. H. Brooks, former director of the Memphis bank and head of a local lumber company. The prisoners will be sentenced later.

The government charged that the defendants, by an unlawful exchange of securities, were able to pass clearing house examinations and that the funds of the institutions were used in an illegal manner.

A run on the Memphis All Night and Day bank about a year ago led to disclosures which ultimately involved institutions in Oklahoma City and other cities.

Oklahoma Wants Davis.

Oklahoma City, Oct. 24.—Abner Davis of this city, whose conviction on a charge of conspiracy to defraud in connection with the failure of the All Night and Day bank of Memphis, Tenn., was reported in press dispatches from that city is also awaiting trial here on charges connected with the management of the Night and Day bank of this city, of which he was president.

Davis was indicted in Oklahoma county in August, 1911, on 13 counts charging false entries on books of the bank and false reports to the bank commissioner.

MINISTERS ACT AS CARPENTERS

Pastors at Sedalia Don Overalls and Build Tabernacle for Revivals.

Sedalia, Mo., Oct. 24.—Nearly a dozen Protestant ministers attired in overalls and working jackets began work on the large tabernacle in which evangelists will begin revival meetings October 27.

Crissman of the First Methodist Episcopal church; the Rev. Matthew Herrmann of the German Methodist Episcopal church, the Rev. W. A. McClannahan of the First Methodist Episcopal church (South), and Secretary T. C. Marsh of the local Y. M. C. A. The building is to be finished Friday night.

Urge Pensions for Widows.

Augusta, Kan., Oct. 24.—The Women's Federation of clubs of the eighth congressional district, in annual session here, adopted a resolution urging state pensions for widows. The resolution calls for the passage of a law providing for a pension of \$10 a month for each child not 14 years old, and \$4 a month for each child more than 14.

Five Signs of a Farmer's Prosperity.

In the current issue of Farm and Fireside appears the following statement by a rural mail carrier as to what he considers the five indications of a farmer's prosperity:

1. The whistling of the hired man.

2. The droning hum of the cream separator.

3. The contented grunting of hogs.

4. The cackling of hens.

5. The chug-chug of the gasoline engine.

Let us have more of these sounds.

HAIR STOPS FALLING, DANDRUFF DISAPPEARS--25 CENT "DANDERINE"

SAVE YOUR HAIR! BEAUTIFY IT! INVIGORATE YOUR SCALP! DANDERINE GROWS HAIR AND WE CAN PROVE IT.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine now will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it

through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—Advertisement.

GREAT BATTLE AT ADRIANOPOLE

Outer Forts Captured by Bulgarians After Severe Fighting.

GREEKS TAKE TOWN AND BRIDGE

Turkish Forces Losing Heavily—Albanians and Montenegrins Quarrel Among Themselves Over Policy of King Nicholas.

Athens, Oct. 24.—The Greeks have occupied the town of Servia, north of Mount Olympus, and have also captured the bridge over the River Aliakmon (Indje Karasa), thereby cutting off the retreat of the Turks. The government has sent telegrams congratulating the commander and troops.

Turks Are Losing.

Sofia, Oct. 24.—The government reports that the Bulgarians are directing a heavy artillery fire on Adrianople. The two outer forts have been captured. In the fighting on the railway to the southeast of Mustapha Pasha the Turks lost 73 killed. One officer and 64 men were made prisoners and five machine guns were captured.

Victory at Heavy Cost.

London, Oct. 24.—The news from the seat of war tells of the continued successes of the allies. The Serbians have captured Novipazar and are the virtual masters of Kumanova. The victories, however, have been purchased at heavy cost.

The situation in Thrace is becoming clearer. A great battle is being fought over a wide semi-circular front before Adrianople, upon which town the Bulgarians are gradually closing in. On the east they have occupied Vasilika and Tirmovo, and are continuing their advance southward.

On the west the Bulgarians, according to official Sofia accounts, have reached the Arda river, close to Adrianople, which is being vigorously bombarded. Already the two outer forts have fallen. Some positions to the north of Adrianople are said to have been taken also, after fighting of the severest character.

Turks Less Confident.

It is significant that Constantinople dispatches, which say a decisive result is expected soon have a less confident tone than previous dispatches from that capital. They admit that a heavy struggle is in progress, in which both sides are showing the utmost bravery.

A Saloniki dispatch asserts that the Mallisori tribes are offended because Montenegrin commanders are proclaiming sovereignty of King Nicholas in the captured Albanian towns.

They demand that King Nicholas give a guarantee that he will evacuate Albanian territory and secure autonomy for Albania. Thus far they have received no satisfactory reply, and it is reported that they are refusing to fight further for the Montenegrins, whose advance has been checked thereby.

FARMERS FOUGHT STREET DUEL

Running Fight With Guns on Streets of Chickasha, Ok., Ends in Death for Two.

Chickasha, Ok., Oct. 24.—As the result of a street duel here, J. Cordell, a farmer of Grady county, and Jess Lockett are dead. According to W. B. Rathbone, the slayer of Lockett who has given himself up to the authorities and is in the county jail here, Lockett made a threat that he was going to kill Rathbone after a quarrel in the afternoon. About 10 o'clock the two men met and Lockett opened fire on Rathbone, who, anticipating the action, sprang to one side, but Cordell, who was with him was shot and killed instantly.

A running fight then started, Rathbone firing over his shoulder as he ran. Lockett emptied his revolver first, and with only one loaded cartridge left, Rathbone stopped and fired. Lockett fell to the sidewalk and was dead when picked up. Rathbone fled, but returned and surrendered.

The ceremonies will be elaborate.

Opens Nevada Land.

Washington, Oct. 24.—Commissioner Dennett of the general land office ordered that 49,080 acres of unappropriated land, excluded from the Humboldt National forest in Nevada last June, be subject to homestead settlement December 30, and that 26,480 acres already surveyed be opened to entry January 29 at Carson City. The lands are in Elko county, Nevada.

DIAZ REBELLION WAS SHORT LIVED

End Came With Capture of Vera Cruz After Weak Resistance.

REBEL GENERAL WILL BE SHOT

General Surprised Expressed, Both in This County and Mexico at Sudden Ending of Revolt—Three Other Revolutions Left.

The City of Mexico, Oct. 24.—Gen. Felix Diaz, Col. Jose Diaz Ordaz and all the officers of the rebellious troops and marines will be haled immediately before a court martial and doubtless will suffer the death penalty. Orders have been issued for the convening of the court, which will be presided over by General Beltran.

Gen. Diaz, although not now a member of the army, is amenable in such court under the law which provides for such trial of any civilian under like circumstances.

The soldiers of the rebellious troops will be decimated—one in ten being executed. They will be chosen by lot to pay the penalty for all.

Soldiers Remain in Barracks.

Vera Cruz, Mexico, Oct. 24.—The revolt of Gen. Felix Diaz, nephew of the exiled president, has been short lived.

The revolutionists in the barracks have not surrendered. They say they will hold out until the last man is killed. However, the weaker spirits seem to be trying to escape.

Washington Is Astonished.

Washington, Oct. 24.—News of the capture of Vera Cruz by Mexican federal forces and the surrender of Gen. Felix Diaz and his staff with practically no show of resistance was received with astonishment in official circles here.

It is generally believed that this event marks the complete suppression of what had been looked upon as the beginning of a general rebellion, involving entirely new elements.

The downfall of the Diaz movement leaves three rebellions in operation in Mexico, headed respectively by Zapata, Aguilar and Orozco. It is presumed the government forces employed against Diaz will be concentrated upon Aguilar.

Mexicans Not Elated.

The City of Mexico, Oct. 24.—President Magro has sent the following dispatch to the governors of all the states:

"Vera Cruz is in the hands of the loyal troops. Diaz has been taken prisoner."

There is much suppressed excitement here over the federal victory, but little elation. On the contrary, that the movement was suppressed so quickly has caused much surprise. The general opinion is, however, that the government success will operate greatly to strengthen the administration.

RACING MEN TO SUE INDIANA

Owners of Track Closed by Troops to Ask \$100,000 Damages—Want Injunction Also.

Porter, Ind., Oct. 24.—Both sides in the fight being waged by the state of Indiana to close the Mineral Springs race track at Porter, Ind., rested for a day, but the promoters are making preparations to reopen the battle almost immediately.

While state troops remained in possession of property under orders to prevent racing by force if necessary, the owners decided to bring suit against the state for \$100,000 damages alleged to have been suffered when the races were stopped by the troops, and to apply for an injunction to prevent the state from interfering with the meet. Both suits are to be filed immediately, it is announced.

Hard to Suit.

La Crosse, Wis., Oct. 24.—"I do not intend to vote for Wilson, Taft or Roosevelt," Senator La Follette said. "I intend to maintain an independent position. I am to be in the senate four years more. If Wilson shows his power as a progressive I want to help him. But I don't know what a two-year-old progressive can do. He has not dealt with the problems that confront this country yet. You don't know what he can do. I don't. I have had some experience with recently converted progressives in the last eighteen months. I propose to fight him if he weakens to the pressure that will be brought to bear on him."

"Roosevelt did not make good. Taft is an amiable, easy-going fat man, willing, but incompetent. Wilson is an unknown quantity, a progressive of two years' experience, untried."

National Dairy Show at Chicago.

Chicago, Oct. 24.—The National Dairy show, one of the biggest of its kind in the country, opened today in the International Amphitheater. Besides a thousand of the best representatives of the leading breeds of dairy cattle, the show contains elaborate dairy products exhibits, a country bottling plant in operation, a creamery making a ton of butter every day, a fine government educational exhibit and many lectures and demonstrations.

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble."

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui.

Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

WOMEN WRECKED MEAT SHOPS

BERLIN HOUSEWIVES IN RIOT OVER HIGH PRICES.

Butchers Refused to Handle Meats Imported by Municipality—Licenses Will be Canceled.

Berlin, Oct. 24.—Hundreds of Berlin housewives joined in a wild riot because the butchers in the municipal markets refused to handle meat imported so as to reduce the cost of living.

The principal trouble occurred in the Wedding district, which is entirely inhabited by working people. Hundreds of women, who went to the municipal market, hoping to profit by reduced prices, found that the butchers had agreed not to deal in meats imported by the municipality. Then they stormed the butchers' stalls, seized all the native-raised meat, trampled it on the ground and fought with the butchers. The police were forced to close the market to stop the riot.

The prices of food are so high in Berlin that the government recently gave permission to the city authorities to bring in and sell meats from abroad at the city markets and to control prices.

The butchers at first agreed to handle these meats, but at the last moment announced they had decided on a general boycott of them in the 12 municipal markets of Berlin.

The municipality declares its intention of punishing the butchers by canceling their licenses.

NEBRASKA TAFT ELECTORS WIN

Supreme Court Decision Places Them at Head of Republican Ticket—T. R. Men Go as Progressives.

Lincoln, Neb., Oct. 24.—The state supreme court shortly after noon handed down a unanimous decision holding that the six Taft electors chosen by the Republican state committee, together with the two Republican electors chosen at the spring primary who remained loyal to Taft, are entitled to the designation "Republican" on the ballot in the general election and to a place at the top of the ballot.

The decision of the district court in a case brought by the Taft men seeking to deny the Roosevelt men the use of the name "Republican" was upheld by the supreme court.

The Roosevelt electors will go on the ballot as the nominees of the Progressive party, the same names having been filed with the secretary of state and pronounced legal by a decision of the district and supreme courts.

Woman Heads County Ticket.

Monticello, Mo., Oct. 25.—The women of Lewis county are taking an unusual interest in the campaign this fall, for the Progressive party has placed a woman at the head of their county ticket. Miss Nettie Green of Monticello has that unique distinction. She is a candidate for prosecuting attorney.

J., Oct. 24.—Standing on a peddler's wagon William Walker, a Socialist, out-talked Hiram Johnson, the Progressive candidate for vice president, who addressed the workers at the Singer Sewing Machine factory. There are about 8,000 workers at the plant. The two men were about 100 feet apart.

MADE FRIENDS HERE

ST. JOSEPH COMMERCE CLUB TOOK DINNER WITH US.

BROUGHT MUSIC ALONG

Band and Quartet Accompanied Special Train—Visitors All Praised Maryville.

The St. Joseph Commerce club, about 200 strong, arrived in Maryville on schedule time today on a special train from the Burlington. They were met at the station by the board of directors of the Maryville Commercial club with automobiles and buses and conveyed at once to the First Christian church, where they took dinner, which was served by the ladies of that church.

All of the banks, wholesale houses and other enterprises of St. Joseph

R. T. FORBES,
President of the Commerce Club of St. Joseph. He is also President of the First National Bank of St. Joseph.

were represented, and the purpose of the trip was to get acquainted. This excursion was the biggest yet given by that organization.

W. A. Lalor, general passenger agent of the Burlington at St. Louis, and J. D. Baker, division passenger agent of the Burlington at St. Joseph, with many other railroad men, were in charge of the train. Mr. Lalor said that Maryville certainly entertained the party royally, and that Maryville was one of the liveliest towns in the state.

The time in Maryville was spent calling on the business men and getting acquainted with the people. Many of the party were taken for an automobile ride around the city. A band accompanied the Commerce club and gave a concert in the afternoon. The club quartet also gave several numbers to a highly appreciative audience on the court house square.

The St. Joseph newspapers, the Gazette and the News-Press, were represented. C. D. Morris, the owner and editor of the Gazette and B. C. Biggerstaff, also of that paper, and L. T. Gidding, publisher of the News-Press, and John Cargill, a writer for that paper, were the newspaper men.

The special train left St. Joseph this morning at 7:30 o'clock and made stops at all of the towns on the Burlington branch. They made a stay at Barnard of forty-five minutes and at Arkoe for fifteen minutes. They then came on to Maryville, arriving here about on schedule time.

The party left Maryville at 2:37 o'clock and made a stop of twenty

minutes at Pickering and sixty minutes at Hopkins. They went on to Bedford, where they will take supper, and will make the return trip home tonight, leaving Bedford at 7:30 o'clock. They will pass through Maryville about 8:30 o'clock.

Members of the reception committee of the Commercial club and citizens here wore badges with these words printed on them, which was suggested by E. G. Orear:

"Maryville Commercial Club. We're Lookin' for Friends. You'll Do."

R. M. BACHELIER,
Chairman of the Trade Extension Committee of the Commerce Club of St. Joseph.

A poll of the business men accompanying the special train was taken and the result of the vote was:

Wilson 115
Taft 54
Roosevelt 27

In in Favor of Amendment.
Senator James A. Reed is one of the many strong advocates of better educational facilities for Missouri. He favors the adoption of amendment No. 9, and in this regard says:

"I am heartily in favor of every plan which will extend, enlarge and better our educational system. It is my opinion that a high school education ought to be placed within the easy reach of every citizen of the state, and that our educational system should be extended along the practical lines covered by manual schools and academies."

The adoption of amendment No. 9 means even more for the state than is expressed through the desire of Senator Reed. This amendment was endorsed at the Democratic state convention.

To District Convention.
Mrs. Estes Bailey went to St. Joseph Thursday morning as a delegate to the W. R. C. district convention that meets there this week. The other corps members going from Maryville were given in Wednesday's daily. Mrs. John W. Morris and Mrs. L. L. Holbrook, who went Thursday morning, will remain for several days. Mrs. Morris with her sons, Roy and Bert Collins, and Mrs. Holbrook with relatives.

Mrs. Garten Injured.
Mrs. Hannah Garten, the mother of E. H. and G. P. Bainum and Shell and Art Garten of this city, fell Wednesday at the home of her son, Stant Garten, near Pickering, and tore the ligaments in one of her shoulders, which had been injured some years before. She is suffering greatly from the accident and was brought to Maryville Thursday by her sons, and is at the home of E. H. Bainum, where she will receive treatment.

Booher Will Speak at Clyde.
Congressman C. F. Booher will speak at Clyde on Friday evening, November 1.

PECK TO RUN AGAIN

EX-STATE SENATOR WILL MAKE RACE FOR THE OFFICE.

HIS NAME NOT ON TICKET

Despite This Handicap Republicans Will Be Asked to Write His Name on Voting Ballots.

The Republicans of the First senatorial district have determined to have a candidate for the state senate, notwithstanding his name will not be printed upon the ballots to be voted at the election November 5.

While no meeting of the senatorial committee was held recently, it was generally agreed among the members of the committee to induce Mr. Peck to run again, at the meeting of the committee held several weeks ago. The Republicans were unable to find any one else who would make the race, as they were of the opinion that they could not win against the Democratic candidate, Anderson Craig.

Peck has been the senator from this district for eight years. At the first meeting of the senatorial committee Peck decided not to become a candidate again, but a number of Republicans have urged him to get in the race as they could not find any one else. He finally consented to make the race this week, but too late to have his name printed on the Republican ticket.

The Republicans had no candidate at the primary election and the law prescribes that in case of a failure to nominate a candidate at the primary election in August the senatorial committee may select a candidate and certify his name to the secretary of state. But Mr. Peck did not consent to run until it was too late to have his name printed. Not dismayed by this, the committee has induced the senator to permit the use of his name anyway, and is asking all voters in the district to write his name in the ballot when they go to the polls.

Even with Mr. Peck as a candidate and his name not on the Republican ticket, Anderson Craig will have a walkaway. The writing in of the name will occasion some time and effort, and not many Republicans will do it.

Went to Nebraska.
J. D. Ford, one of the big apple raisers of Nodaway county, went to Riverton, Neb., Thursday to market a car load of apples. Mr. Ford and his partner, Mr. Kennedy of Parnell, had a small apple crop this year in comparison to other years. They only had eight car loads from their orchard.

Will Have an Oyster Supper.
There will be an oyster supper at the Harmony church, east of Maryville, this evening. An informal program will also be given.

Mrs. M. A. Sawyer of Bedford was a Maryville business visitor Thursday.

WIFE ASKS FOR \$500,000.

Mrs. Alonzo Thompson is Suing for That Amount, and Infidelity is Charged Against Spiritualist.

A dispatch from Denver, Col., about Alonzo Thompson, a former resident of Maryville, states:

Asking an absolute divorce and alimony in the sum of \$500,000, Mrs. Annie L. Thompson, 1979 Humboldt street, has filed suit in the district court against Alonzo Thompson, spiritualist and philanthropist.

The petition was filed several days ago, but suppressed. It bristles with charges, both mentionable and unmentionable, and comes as a fitting climax to the series of sensational legal proceedings which have within recent months characterized the progress of the Thompson family feud.

In lieu of obtaining personal service on the aged defendant, who for some time has been in Missouri, the summons was served on a negro woman servant at the Humboldt street residence, who has for years been in the Thompsons' employ.

Alonzo Thompson, Jr., known as the best dressed man in town, whose cast-off clothes his father declares he has worn and braved the scrutiny of amazed acquaintances, rather than consign their shrieking colors and fastidious outlines to the extravagant oblivion of disuse, is spending the summer at Lilydale, N. Y., a spiritualists' camp.

Jersey Cow to Colorado.

Thomas Wiles took a fine Jersey cow to Maitland Wednesday, from which point he shipped her to Mr. McClannahan at Greeley, Col., the third one he has sold the gentleman in the last few weeks. According to the new law that has just come into effect, all Jersey cattle must be tested for tuberculosis before being shipped out of the state, and as a state inspector was at Maitland testing other cattle, Mr. Wiles took the cow over there. Charles T. Graves is preparing to ship a number from his stock farm at Maitland.

Recovering From Broken Arm.

Mrs. Amanda Byers, the mother of Leonard Byers, is recovering nicely from a broken arm she sustained a few weeks ago by a fall in the yard of her home. Although past 83 years of age, Mrs. Byers stood the accident and the attending suffering and inconvenience with fine spirit and is now able to be about the house as usual.

On Visit to Daughter.

Mr. and Mrs. W. B. Hanna, Roynce and Donald Hanna, of Pickering, were in Maryville Thursday on their way to Polo, Mo., for a few days' visit with their daughter, Mrs. Herman Brueggemann. Prof. Brueggemann is principal of the schools at Polo.

Returning From Nebraska.

Mrs. J. W. Cross and daughter, Miss Lillie Cross, of Hopkins were in Maryville Thursday, returning home from a visit at Surprise, Neb., with Mrs. Cross' son, Henry Cross.

WHAT A DIFFERENCE

DEMOCRATS HOLD A ROUSING MEETING AT PICKERING.

II HEAR THE OPPOSITION

Nondescript Meeting Fails to Draw Voters Couldn't Tell Whether It Was Bull Moose or Republican.

The Democrats held a political meeting at Pickering Wednesday evening which was largely attended. John M. Dawson, county chairman, spoke, as did also George Pat Wright and E. L. Wolfert. Other candidates present at the meeting were Ed Wallace and Judge Wm. Blackford, and W. G. Sawyers accompanied the party.

The Democratic meeting was a big success and was unlike the "political speaking, candidates' meeting" held the night before by the candidates on the opposition ticket. The Republicans and also the Bull Moosers in Union township were unable to find out what kind of a political meeting it was, as all the candidates would talk about was their own merits and about the single tax amendment. There were only eleven present at this meeting. Just think of it! These candidates, nominated by the Republicans at the primary election are ashamed of their politics and are afraid to advertise these meetings they are holding as Republican meetings.

Are Using Oil Stoves.

Owing to the smokestack on the Normal heating plant being down, as it was struck by lightning in a storm Sunday morning, oil stoves are being used at the school this week to heat the rooms. However, the weather is not very cold, and with the aid of the sun the stoves are giving sufficient heat.

Work will commence on the smokestack at once, as President Blagg of the board of regents has contracted for the work. The stack will be torn down for thirty-five feet and then will be built up again.

To Hold Protracted Meetings.

Rev. C. R. Green, pastor of the Harmony church, was in the city Thursday. He announced that revival meetings would be held at his church the first two weeks in December, and that it is expected that a man from New York would do the preaching.

Harrisonville Visitors Leave.

Mrs. H. E. Patterson and daughters, Miss Edith Patterson and Mrs. Mabel Wright, of Harrisonville, Mo., who have been spending a week at the home of James Patterson, northwest of Maryville, left for their home Thursday morning.

Mrs. M. A. McCracken of Bedford was in Maryville Thursday on her way to Evona to visit relatives.

"MARYVILLE HAS IT"

That's the Slogan Suggested by the Missouri Notes Editor of the Kansas City Times.

In Wednesday's issue of the Kansas City Times, Steve O'Grady, editor of the Missouri Notes of that paper, offered as a slogan for this city, "Maryville Has It." Here is what he says about this slogan:

The Maryville Commercial club is seeking a slogan. It will pay real money for an acceptable battle cry. Through long familiarity with the advertising columns of the Maryville papers we are tempted to suggest this slogan: "Maryville Has It!" That's a slogan that would make the farmers lay down their mail order catalogues. Send on the five, boys.

Miss McAtee was formerly a teacher of the Hopkins schools, and Mr. Potter is a farmer living near Hopkins. They will reside on a farm, seven and a half miles southeast of Hopkins.

We Won't Say It Any More.

That reminds us: Someone asked the other day why in the world we said "covers were laid for," when speaking of guests at a dinner party. We couldn't give any sensible reason, of course, and only said, "Everybody does," and "All the city papers do," and "Webster says it's correct," and all that, and he said it didn't make any difference who said it, it wasn't sensible to say "Covers were laid for," except at a slumber party.

I X L With Mrs. Smith.

At the meeting of the I X L Embroidery club Wednesday afternoon with Mrs. Wilber C. Smith, the club voted to give a party some time soon for three of their number, Mrs. W. R. Wells, Mrs. Preston Seafers and Mrs. John Bantz, who will leave the first of December to spend the winter in California. The afternoon was spent with crochet and embroidery work, as usual, and some magazine will be ordered for the further study of fancy work. The hostess served a luncheon to her guests. They included Mrs. Robinson Craven, Mrs. James Eckles, Mrs. Cooper Gooden, Mrs. Ernest Welborn, Mrs. W. R. Wells, Mrs. Guy Mutz, Mrs. Anna Stauble, Mrs. Marvin Peery, Mrs. George Pickens, Mrs. Walter Mutz, Mrs. O. W. Swinford, Mrs. Eugene Rathbun, Mrs. A. J. Anderson, Mrs. I. W. WOMEN WILL VOTE

IN SIX STATES THEY WILL TAKE PART IN GENERAL ELECTION.

MAY CAST DECIDING VOTE

The State of California, Colorado, Idaho, Utah, Washington and Wyoming Have 38 Electoral Votes.

In the general election on November 5 women will vote in six states, California, Washington, Idaho, Colorado, Wyoming and Utah, a fact which campaign managers of the various parties have taken into consideration. While the Progressive party was the only one of the three leading political organizations to give its official stamp of approval to the equal suffrage movement, the Republican and Democratic leaders have shown their appreciation of the importance of that movement by enlisting the services of women workers with an eye to the result in the six states in which women have been granted the full rights of the franchise. Those six states have a total representation in the electoral college of 38 votes, divided as follows: California 13, Colorado 7, Idaho 4, Utah 4, Washington 7, Wyoming 3.

According to the last census California has a total of 671,386 women eligible to vote. For the other five states the figures are as follows: Colorado, 213,425; Utah, 85,729; Washington, 277,727; Idaho, 69,818; Wyoming, 28,840.

That the choice of a president and vice president of the United States in the coming election may depend upon the votes of the women in the six states name is hardly within the range of possibilities. But it is the fact that six presidents of the United States were elected by a smaller number of votes than those which woman suffrage states will control in the next electoral college.

Statistics show that Presidents Adams, Jefferson, John Quincy Adams, Taylor, Hayes and Cleveland were elected by a majority of thirty-seven votes or less. In 1796 John Adams defeated Thomas Jefferson by two votes. In 1800 Thomas Jefferson and Aaron Burr each received 175 votes. The choice then devolved upon the house of representatives, with the result that Jefferson was elected.

In 1824 none of the candidates for president received enough electoral votes to elect, and the choice again devolved upon the house of representatives, when John Quincy Adams was chosen. In 1840 Zachary Taylor defeated Lewis Cass by just thirty-six votes. In 1876 Rutherford B. Hayes defeated Samuel J. Tilden by one vote, and in 1884 Grover Cleveland defeated James G. Blaine by thirty-seven votes.

In addition to the six states in which women have been given the right to vote for president there are numerous other states in which they have the rights of limited suffrage. In fact, there are in the United States today only nineteen states which have no form of suffrage for women, and even in some of those there are cities in which women have the right to vote for school officials and on tax matters. The nineteen states are Nevada, Texas, Missouri, Arkansas, Mississippi, Indiana, Kentucky, Tennessee, Alabama, Florida, Georgia, Virginia, North Carolina, South Carolina, Maryland, Pennsylvania, Rhode Island and Maine.

TEN REASONS WHY WILSON SHOULD BE ELECTED.

1. He has the best intellectual equipment for the presidency of any president within a half century.
2. He believes in abolishing monopoly by law instead of surrendering to it and legalizing it.
3. He has less girth but more backbone than Mr. Taft.
4. He has less egotism and better judgment than Colonel Roosevelt.
5. He is free from embarrassing and entangling alliances.
6. He stands squarely and courageously on the Jeffersonian platform—"Equal rights for all, special privileges for none."
7. He promised the people of New Jersey sixteen reforms and obtained the passage of laws effecting them.
8. Mr. Taft, if re-elected, would probably have an opposition majority in both the senate and house, and thus all government progress would be blocked.
9. Colonel Roosevelt, if elected,

would certainly have an opposition congress and his administration would be helpless and fruitless.

POLITICAL NOTES.

(From Democratic Bureau.)
According to the state auditor's report the salaries and expenses of the state game department under the present administration have amounted to \$231,762.92, which is exactly \$164,360.90 more than this department ever cost under any Democratic administration. Was it worth the difference in the cost? Can Missouri afford any more luxuries like Hadley's man Tolerton? If you don't think so, then you'd better vote the Democratic ticket this year.

President Taft has vetoed tariff revision bills which would have reduced the cost of living \$650,000,000 per year. His administration is endorsed by the Republican state platform and the candidates of the Republican party in Missouri. The same clique of Missouri Republican politicians, in the same platform, endorsed the thefts and frauds committed in the interest of Taft at Chicago. Query: What is the difference between stand-patism and highway robbery?

McKinley Voted Against Anti-Trust Law.

John C. McKinley, the Republican nominee for governor, was the only member of the Missouri state senate who voted against the anti-trust law passed by that body in 1903. (See senate journal 1903, page 650.)

The bill was a substitute for senate bill 188, and was entitled "An act to prevent conspiracies, or the creation of monopolies for the purpose of keeping up the prices of coal, ice, food products, lighting or fuel oil, or other necessities of life, or creating artificial scarcity of such articles or necessities."

This bill passed the senate by the following vote: Ayes 23, nays 1, absent 5. On that bill McKinley was the only member of the senate who voted nay.

Every other Republican in the state senate, and every Democrat present on that day voted for this bill. McKinley alone stood forth against it. And now he asks the people of Missouri to elect him governor of this state! In heaven's name, why? What would such a man do in the office of governor? The people of Missouri want a governor who will fight against the trusts and not for them.

The people do not agree with Roosevelt that there is anything "highly amusing" in the attempt on the part of fend or maniac to take a human life. What the people regard as "highly amusing" is the aim to make political capital out of the deed.

While the people with one voice condemn the cowardly and dastardly attempt on the life of former president Roosevelt and rejoice alike that he has fully recovered, they cannot forget, nor should they forget, that they declined to confer the three-time presidency on the man, who for their sake, for four years faced bullets and knew they were coming.

DEATH OF AN OLD SETTLER.

Patrick Harmon Died Thursday Morning at Home of Niece, Mrs. Maurice Egan of Clyde.

Patrick Harmon, for forty-five years a resident of near Old Conception, died of old age early Thursday morning at the home of his niece, Mrs. Maurice Egan, of near Clyde.

The funeral services will be held Friday morning at New Engelberg Abbey church at Conception, conducted by Rt. Rev. Fr. Placidus. Burial in St. Columba cemetery.

Mr. Harmon was born eighty-six years ago in County Carey, Ireland. When he was 21 years old he left Ireland and went to Alaska and mined for several years in that country and in British Columbia. He left there and traveled all through the west and mined for awhile in California. He was an interesting character and could relate many thrilling stories of experiences in his life. He settled in Jefferson township forty-five years ago and made his home with his sister, Mrs. Joy, and after the death of her husband the two continued to live together in Old Conception until about three years ago, when Mrs. Joy went to live with her daughter and her husband, Mr. and Mrs. Maurice Egan. Mr. Harmon lived alone until two weeks ago, when he became ill and was taken to the Egan home for proper care.

Mrs. Joy, now 91 years old, was his only near relative, distant relatives living in North and South Dakota.

Rev. C. H. Owens, editor of the Clearmont Ledger, was in the city Thursday.

Why Fret?

In the November American Magazine appears the following:

Are the trains too slow for you? Caesar, with all of his court, never exceeded the speed limit.

Are your wages too small? In Europe people are content with making a living.

Are the lights too dim? David wrote his psalms by the light of a smoky torch.

Are you ugly? Cleopatra, though homely, bewitched two emperors.

Are you cold? The soldiers of Valley Forge walked barefoot on the ice and snow.

Are you hungry? The children of India are starving for want of a crust of bread.

Are you tired? Why fret about it? Jacob was tired when he dreamed of the angels of heaven.

Are you sick? Suppose you had lived two thousand years ago when sickness was fatal.

Are you poor? The Saviour of Men was not wealthy.

Cheer up! Praise God that you live in the midst of His blessings! Why fret?

Caller—You know, there was something I wanted to say to you, but it has quite gone out of my mind. I can't remember what it was.

NIGHT BANKERS ARE ARRESTED

Five Out of Six Found Guilty at Memphis, Tenn.

ALL WILL BE SENTENCED LATER

"All Night and Day" Ventures Proved Disastrous to Promoters—W. C. White, of Memphis, Only One to Escape Penalty.

Memphis, Tenn., Oct. 24.—Five bankers, well known in Memphis, Kansas City, Oklahoma City and other cities on trial here charged with conspiracy to defraud, were found guilty by a federal jury.

W. C. White, a former director of the All Night and Day bank of Memphis, and the Union Trust company of Hot Springs, also named in the indictment, was acquitted.

The Men Convicted.

Those convicted are: E. L. Hendry, former president of the Memphis All Night and Day bank; H. C. Wynne, former president of the Little Rock, Ark., All Night and Day bank; Abner Davis, former president of the All Night and Day bank of Oklahoma City; C. A. Bonds, former president of the Kansas City All Night and Day bank, and J. H. Brooks, former director of the Memphis bank and head of a local lumber company. The prisoners will be sentenced later.

The government charged that the defendants, by an unlawful exchange of securities, were able to pass clearing house examinations and that the funds of the institutions were used in an illegal manner.

A run on the Memphis All Night and Day bank about a year ago led to disclosures which ultimately involved institutions in Oklahoma City and other cities.

Oklahoma Wants Davis.

Oklahoma City, Oct. 24.—Abner Davis of this city, whose conviction on a charge of conspiracy to defraud in connection with the failure of the All Night and Day bank of Memphis, Tenn., was reported in press dispatches from that city is also awaiting trial here on charges connected with the management of the Night and Day bank of this city, of which he was president.

Davis was indicted in Oklahoma county in August, 1911, on 13 counts charging false entries on books of the bank and false reports to the bank commissioner.

MINISTERS ACT AS CARPENTERS

Pastors at Sedalia Don Overalls and Build Tabernacle for Revivals.

Sedalia, Mo., Oct. 24.—Nearly a dozen Protestant ministers attired in overalls and working jackets began work on the large tabernacle in which evangelists will begin revival meetings October 27.

Among them were the Rev. Harold Cooper of the First Congregational church, who early in the "fray" mashed his thumb; the Rev. R. C. Williamson of the Broadway Presbyterian church; the Rev. B. F. Crissman of the First Methodist Episcopal church; the Rev. Matthew Herrmann of the German Methodist Episcopal church; the Rev. W. A. McClannahan of the First Methodist Episcopal church (South); and Secretary T. C. Marsh of the local Y. M. C. A. The building is to be finished Friday night.

Urge Pensions for Widows.

Augusta, Kan., Oct. 24.—The Women's Federation of clubs of the eighth congressional district, in annual session here, adopted a resolution urging state pensions for widows. The resolution calls for the passage of a law providing for a pension of \$10 a month for each child not 14 years old, and \$4 a month for each child more than 14.

Five Signs of a Farmer's Prosperity.

1. The whistling of the hired man.
2. The droning hum of the cream separator.
3. The contented grunting of hogs.
4. The cackling of hens.

SAVE YOUR HAIR! BEAUTIFY IT! INVIGORATE YOUR SCALP! DANDERINE GROWS HAIR AND WE CAN PROVE IT.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or a loose or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine now will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it

through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—Advertisement.

GREAT BATTLE AT ADRIANOPOLE

Outer Forts Captured by Bulgarians After Severe Fighting.

GREEKS TAKE TOWN AND BRIDGE

Turkish Forces Losing Heavily—Albanians and Montenegrins Quarrel Among Themselves Over Policy of King Nicholas.

Athens, Oct. 24.—The Greeks have occupied the town of Servia, north of Mount Olympus, and have also captured the bridge over the River Aliakmon (Indje Karasa), thereby cutting off the retreat of the Turks. The government has sent telegrams congratulating the commander and troops.

Turks Are Losing.

Sofia, Oct. 24.—The government reports that the Bulgarians are directing a heavy artillery fire on Adrianople. The two outer forts have been captured. In the fighting on the railway to the southeast of Mustapha Pasha the Turks lost 73 killed. One officer and 64 men were made prisoners and five machine guns were captured.

Victory at Heavy Cost.

London, Oct. 24.—The news from the seat of war tells of the continued successes of the allies. The Servians have captured Novipazar and are the virtual masters of Kumanovo. The victories, however, have been purchased at heavy cost.

The situation in Thrace is becoming clearer. A great battle is being fought over a wide semi-circular front before Adrianople, upon which town the Bulgarians are gradually closing in. On the east they have occupied Vasilika and Tirmovo, and are continuing their advance southward.

On the west the Bulgarians, according to official Sofia accounts, have reached the Arda river, close to Adrianople, which is being vigorously bombarded. Already the two outer forts have fallen. Some positions to the north of Adrianople are said to have been taken also, after fighting of the severest character.

Turks Less Confident.

It is significant that Constantinople dispatches, which say a decisive result is expected soon have a less confident tone than previous dispatches from that capital. They admit that a heavy struggle is in progress, in which both sides are showing the utmost bravery.

A Saloniki dispatch asserts that the Malissori tribes are offended because Montenegrin commanders are proclaiming sovereignty of King Nicholas in the captured Albanian towns.

They demand that King Nicholas give a guarantee that he will evacuate Albanian territory and secure autonomy for Albania. Thus far they have received no satisfactory reply, and it is reported that they are refusing to fight further for the Montenegrins, whose advance has been checked thereby.

FARMERS FOUGHT STREET DUEL

Running Fight With Guns on Streets of Chickasha, Ok., Ends in Death for Two.

Chickasha, Ok., Oct. 24.—As the result of a street duel here, J. Cordell, a farmer of Grady county, and Jess Lockett are dead. According to W. G. Rathbone, the slayer of Lockett, who has given himself up to the authorities and is in the county jail here, Lockett made a threat that he was going to kill Rathbone after a quarrel in the afternoon. About 10 o'clock the two men met and Lockett opened fire on Rathbone, who, anticipating the action, sprang to one side, but Cordell, who was with him was shot and killed instantly.

A running fight then started. Rathbone firing over his shoulder as he ran. Lockett emptied his revolver first, and with only one loaded cartridge left. Rathbone stopped and fired. Lockett fell to the sidewalk and was dead when picked up. Rathbone fled, but returned and surrendered.

Denver, Oct. 24.—With the most notable gathering of Catholic dignitaries, priests and prelates ever assembled in Denver, the new \$50,000 immaculate Conception cathedral, rated as among the finest edifices in the United States, will be dedicated Sunday by Cardinal Farley of New York. The ceremonies will be elaborate.

Opens Nevada Land.

Washington, Oct. 24.—Commissioner Dennett of the general land office ordered that 49,080 acres of unappropriated land, excluded from the Humboldt National forest in Nevada last June, be subject to homestead settlement December 30, and that 26,830 acres already surveyed be opened to entry January 29 at Carson City. The lands are in Elko county, Nevada.

Spiral Glide Failed.

Montgomery, Ala., Oct. 24.—Louis Mitchell, aviator, fell 200 feet here and was killed. Mitchell lost control of his machine while trying a spiral glide.

DIAZ REBELLION WAS SHORT LIVED

End Came With Capture of Vera Cruz After Weak Resistance.

REBEL GENERAL WILL BE SHOT

General Surprised Expressed, Both in This Country and Mexico at sudden Ending of Revolt—Three Other Revolutions Left.

The City of Mexico, Oct. 24.—Gen. Felix Diaz, Col. Jose Diaz Ordaz and all the officers of the rebellious troops and marines will be haled immediately before a court martial and doubtless will suffer the death penalty. Orders have been issued for the convening of the court, which will be presided over by General Beltran.

Gen. Diaz, although not now a member of the army, is amenable in such court under the law which provides for such trial of any civilian under like circumstances.

The soldiers of the rebellious troops will be decimated—one in ten being executed. They will be chosen by lot to pay the penalty for all.

Soldiers Remain in Barracks.

Vera Cruz, Mexico, Oct. 24.—The revolt of Gen. Felix Diaz, nephew of the exiled president, has been short lived.

The revolutionists in the barracks have not surrendered. They say they will hold out until the last man is killed. However, the weaker spirits seem to be trying to escape.

Washington is Astonished.

Washington, Oct. 24.—News of the capture of Vera Cruz by Mexican federal forces and the surrender of Gen. Felix Diaz and his staff with practically no show of resistance was received with astonishment in official circles here.

It is generally believed that this event marks the complete suppression of what had been looked upon as the beginning of a general rebellion, involving entirely new elements.

The downfall of the Diaz movement leaves three rebellions in operation in Mexico, headed respectively by Zapata, Aguilar and Orozco. It is presumed the government forces employed against Diaz will be concentrated upon Aguilar.

Mexicans Not Elated.

The City of Mexico, Oct. 24.—President Madero has sent the following dispatch to the governors of all the states:

"Vera Cruz is in the hands of the loyal troops. Diaz has been taken prisoner."

There is much suppressed excitement here over the federal victory, but little elation. On the contrary, the movement was suppressed so quickly has caused much surprise. The general opinion is, however, that the government success will operate greatly to strengthen the administration.

RACING MEN TO SUE INDIANA

Owners of Track Closed by Troops to Ask \$100,000 Damages—Want Injunction Also.

Porter, Ind., Oct. 24.—Both sides in the fight being waged by the state of Indiana to close the Mineral Springs race track at Porter, Ind., rested for a day, but the promoters are making preparations to reopen the battle almost immediately.

While state troops remained in possession of property under orders to prevent racing by force if necessary, the owners decided to bring suit against the state for \$100,000 damages alleged to have been suffered when the races were stopped by the troops, and to apply for an injunction to prevent the state from interfering with the meet. Both suits are to be filed immediately, it is announced.

Hard to Suit.

La Crosse, Wis., Oct. 24.—"I do not intend to vote for Wilson, Taft or Roosevelt," Senator La Follette said. "I intend to maintain an independent position. I am to be in the senate four years more. If Wilson shows his power as a progressive I want to help him. But I don't know what a two-year-old progressive can do. He has not dealt with the problems that confront this country yet. You don't know what he can do. I don't. I have had some experience with recently converted progressives in the last eighteen months. I propose to fight him if he weakens to the pressure that will be brought to bear on him."

"Roosevelt did not make good. Taft is an amiable, easy-going fat man, willing, but incompetent. Wilson is an unknown quantity, a progressive of two years' experience, untried."

National Dairy Show at Chicago.

Chicago, Oct. 24.—The National Dairy show, one of the biggest of its kind in the country, opened today in the International Amphitheater. Besides a thousand of the best representatives of the leading breeds of dairy cattle, the show contains elaborate dairy products exhibits, a country bottling plant in operation, a creamery making a ton of butter every day, a fine government educational exhibit and many lectures and demonstrations.

My husband asked me to try Cardul. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble--try Cardul.

Cardul is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

WOMEN WRECKED MEAT SHOPS

BERLIN HOUSEWIVES IN RIOT OVER HIGH PRICES.

Butchers Refused to Handle Meats Imported by Municipality--Licenses Will be Cancelled.

Berlin, Oct. 24.--Hundreds of Berlin housewives joined in a wild riot because the butchers in the municipal markets refused to handle meat imported so as to reduce the cost of living.

The principal trouble occurred in the Wedding district, which is entirely inhabited by working people. Hundreds of women, who went to the municipal market, hoping to profit by reduced prices, found that the butchers had agreed not to deal in meats imported by the municipality. Then they stormed the butchers' stalls, seized all the native-raised meat, trampled it on the ground and fought with the butchers. The police were forced to close the market to stop the riot.

The prices of food are so high in Berlin that the government recently gave permission to the city authorities to bring in and sell meats from abroad at the city markets and to control prices.

The butchers at first agreed to handle these meats, but at the last moment announced they had decided on a general boycott of them in the 12 municipal markets of Berlin.

The municipality declares its intention of punishing the butchers by cancelling their licenses.

NEBRASKA TAFT ELECTORS WIN

Supreme Court Decision Places Them at Head of Republican Ticket--T. R. Men Go as Progressives.

Lincoln, Neb., Oct. 24.--The state supreme court shortly after noon handed down a unanimous decision holding that the six Taft electors chosen by the Republican state committee, together with the two Republican electors chosen at the spring primary who remained loyal to Taft, are entitled to the designation "Republican" on the ballot in the general election and to a place at the top of the ballot.

The decision of the district court in a case brought by the Taft men seeking to deny the Roosevelt men the use of the name "Republican" was upheld by the supreme court.

The Roosevelt electors will go on the ballot as the nominees of the Progressive party, the same names having been filed with the secretary of state and pronounced legal by a decision of the district and supreme courts.

CASCARETS SURELY STRAIGHTEN YOU OUT

No Headache, Biliousness, Upset Stomach, Lazy Liver or Constipated Bowels by Morning.

Are you keeping your bowels, liver and stomach clean, pure and fresh with Cascarets, or merely forcing a passageway through these alimentary or drainage organs every few days with salts, cathartic pills, castor oil or purgative waters.

Stop having a bowel wash-day. Let Cascarets thoroughly cleanse and regulate the stomach, remove the undigested, sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep--never gripe, sicken or cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.--Advertisement.
